

DuraSprayerII Cordless Fogger Aerosol Disinfectant

Portable Mist Sprayer Sanitizing Germ Fogger

360 degrees of Protection

Disinfect large areas quickly and effectively

FEATURES

- 360 degrees of protection
- Sprays up to 16.5 ft
- Lightweight (2 lbs.) and portable
- Adjustable knob allows for optimal droplet size based on the surface being disinfected
- Battery is rechargeable & lasts 25 minutes
- Compatible with most disinfectants approved on EPA's List N to eliminate SARS-CoV-2 (COVID-19)

BENEFITS

- Reduces the time it takes to cover and disinfect all surfaces and hard-to-reach places by 50% compared to conventional methods
- Improves infection control and the spread of viruses such as influenza, MRSA, HIV and SARS-2
- Applies chemicals in a more efficient, controlled manner, eliminating the dangers of overuse
- Prevents costly financial burdens associated with contagious healthcare infections
