

STERIBEST™ Trays

- Designed to protect delicate instruments during sterilization
- Silicone pin mats included for added protection
- Made from the polymer Ultem® to ensure strength and long lasting durability
- Transparent lid for easy identification of contents
- Trays are stackable

ENHANCED FEATURES:

- Extra slots mean increased steam penetration and more rapid drying
- **Raised node base surface** and **slotted lid** facilitate circulation of steam and aid in drying
- Helps eliminate wet pack
